

133X PARA ALUMÍNIO

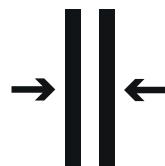

A dobradiça 133X para perfil de alumínio slim combina amortecimento avançado, fechamento suave e sistema de clip rápido para instalação ágil. Com alta resistência e durabilidade, garante desempenho superior em diversas aplicações.

● Especificações

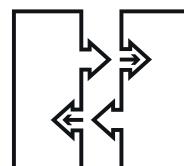

Ângulo de abertura em 95°

Portas com espessura entre 19 e 23mm

Fácil fixação por clip

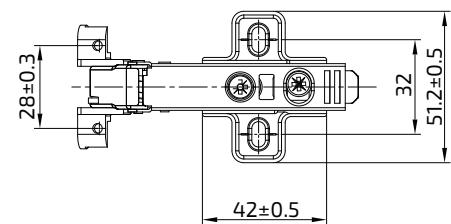

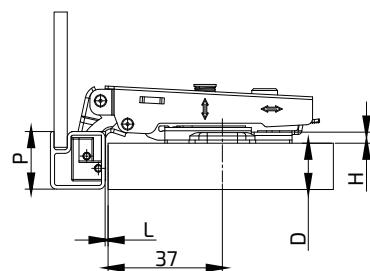

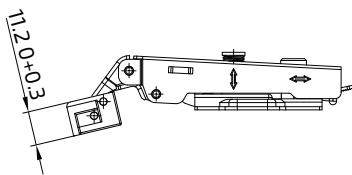

Fechamento amortecido

● Componentes

● 133X para Alumínio Reta

DESCRIÇÃO	PRODUTO
